

Liquid Pumps

For over 80 years SIHI has been a leading manufacturer of innovative technologies for chemical process pumps, industrial standard pumps, heat transfer pumps, side channel pumps, side channel pumps for LPG and high pressure pumps.

Chemical Process & Industrial

Flow Rate: < 3500 m³/h

Head: < 160 m

High Temperature

Flow Rate: < 1000 m³/h

Head: < 95 m

Multistage

Flow Rate: < 650 m³/h

Head: < 1600 m

Side Channel

Flow Rate: < 35 m³/h

Head: < 354 m

LPG

Qmax = 220 m³/h

Delta p = 20 bar
