

## Vacuum Pumps

SIHI is the leading manufacturer of innovative technologies for liquid ring vacuum pumps, liquid ring compressors, dry running vacuum pumps, blowers and gas ejectors.

### Liquid Ring Vacuum Pumps

Suction volume flow: up to 22,087 m<sup>3</sup>/h

Suction pressure: 33 up to 1013 mbar

### Liquid Ring Vacuum Compressors

Suction volume flow: up to 11,553 m<sup>3</sup>/h

Suction pressure: up to 11 bar

### Dry Running Vacuum Pumps

Suction volume flow: up to 1,000 m<sup>3</sup>/h

Suction pressure: < 0.001 up to 1013 mbar
